Overview of Medea

Medea is a tragedy that revolves around the character of Medea, a sorceress and foreign princess from Colchis, who has helped Jason secure the Golden Fleece. The play begins after Medea has sacrificed much for her husband, Jason, only to be betrayed when he decides to marry Creon?s daughter to advance his political ambitions. The story unfolds as Medea grapples with feelings of betrayal, rage, and despair, ultimately leading her to commit a series of heinous acts.

The plot?s core tension lies in Medea?s internal conflict: her love and devotion to Jason versus her overwhelming desire for revenge. Her decision to kill her own children is one of the most shocking moments in classical drama, highlighting themes of justice, vengeance, and the destructive power of passion.

Plot Summary

The play opens with Medea alone, expressing her anguish over Jason?s betrayal. She feels abandoned and humiliated, yet her intelligence and resolve are evident as she plots her revenge. She persuades King Creon to allow her to stay in Corinth for one more day, claiming she needs time to prepare her departure. Once her enemies are off guard, Medea begins her plan.

Medea?s confidante, her nurse, expresses concern over the tragic consequences of Medea?s wrath, but Medea remains steadfast. She then persuades her children to help her carry out her revenge, convincing them to accept gifts from Jason and to prepare for a deadly act.

With the help of her magical powers, Medea manages to deceive the princess and Creon, offering false promises of reconciliation. She then kills Creon and his daughter, Glauce, by sending them poisoned gifts?often depicted as a robe and crown?leading to their agonizing deaths.

The climax of the tragedy is Medea?s decision to kill her own children to deprive Jason of any future heirs and to punish him for his betrayal. Medea escapes in a chariot provided by her grandfather Helios, the Sun God, leaving Jason devastated and alone.
